Directions: Coming from the North: Take Exit 130 turn left at the light, proceed through four sets of lights. When you cross over the railroad tracks, proceed to the next set of lights (you will see the new Rite Aid on the right) making sure you are either in the center lane or left lane. Proceed down Main Street, at the next light you can turn right and either park in the Concourse or continue down the street and take the next left hand street (Common Street) and park. The Center Building is on your left before Common Street.
